

#### **DESCRIPTION OF PROGRAM MATERIALS**

- I. A detailed outline of what is protected. The outline relies on case law and statute. It covers all aspects of litigation: documents, privileged mail, written statements, tape recordings, documents reviewed in preparation of deposition, expert and non-expert testimony. Additionally, covered was waiver and the scope waiver, work product protection waiver (Federal vs State Rules). Inadvertent production. Assertions of privilege/work product protection and resolution of disputes during discovery. The appendix provided sample stipulations and a confidentiality certificate.
- II. An article “ Exploring Attorney Client Privilege, Work Product Doctrine and Other Privileges”
